1. Meet and Greet with Celeste Maloy

Celeste introduced herself and explained why she is running. She gave her work history and how she ended up running for office. She wants to help local governments and make sure all three branches of government are in check and balance. Term limits were discussed. She is not opposed to term limits. She thinks States and Counties should run the elections. It should be up to the State on how they want to handle counting the ballots. Councilman Thomas has big concerns for the future of elections. An audit needs to include tabulation. He stated laws need to be changed to require the people doing the elections to do an actual audit.

Celeste handed out cards with her contact information and thanked everyone for coming.

Adjournment: 7:02 p.m.
