Item #4 New Business

Dave Houston talked about aviation Days in October 2024 Lauren Buton who oversees putting on the event is wanting to know who would be interested in helping she is trying to get it organized.

Mayor Billings stated the city is hiring a new PR (public relations) person who could help with putting together a flyer to get this advertised. Mayor Billings asked if the youth are going to be able to come in and help with the event. They have helped in the past and enjoyed it. Scott Freeman said they do have young eagles that would help also. Norm Anderson said Chapter 23 from SLC has been willing to help in the past we could reach out to them.

Kurt McDaniel said they could help also with aviation days.

Scott Freeman gave a brief update on the noise abatement. He explained they were doing good. He has had more complaints in the last few weeks which are from SUU helicopters. Scott Freeman explained that when they are flying down here, he usually gets some complaints. Scott Freeman stated if we took SUU out of the picture, we would have very minimal complaints if any. He feels like we are at the point to monitor and take care of noise complaints that are home based or transient and not include SUU. Since in the past talking to SUU about the complaints, they explain that they follow the MOU as written. Scott Freeman said we do have flyers and signs showing the noise abatement guidelines. Scott Freeman explained that we are not the only city that complains about SUU flying. The MOU about flying at night SUU hasn't been violated at all.

Dave Houston talked about SUU helicopters that came into the area yesterday and were talking about where they could fly and the elevation, so they are communicating and trying to follow by the noise abatement.

Art Granger suggested forwarding those complaints to Kaden Demille since he is the one listed as a point of contact.

Mayor Billings talked about the lights being placed at the airport is still being an issue that's getting talked about.

Adjourn

Art Granger asked for a motion to adjourn the meeting. Jim Lemmon motion to adjourn the meeting. Laron Hall seconded the motion. Motion passed.
