Hurricane City Airport Advisory Board Meeting Agenda

December 16, 2025

9:00 AM

City Council Chambers 147 N 870 W, Hurricane

Notice is hereby given that the General Dick Stout Field Airport Advisory Board will hold a Regular Meeting in the City Hall Council Chambers located at 147 N 870 W, Hurricane, UT. A silent roll call will be taken, along with the Pledge of Allegiance and prayer by invitation. REASONABLE ACCOMMODATION: Hurricane City will make efforts to provide reasonable accommodations to disabled members of the public in accessing City programs, please contact the City Recorder, 435-635-2811 x 106, at least 24 hours in advance if you have special needs.

Call to Order, Pledge of Allegiance, Prayer

New Business

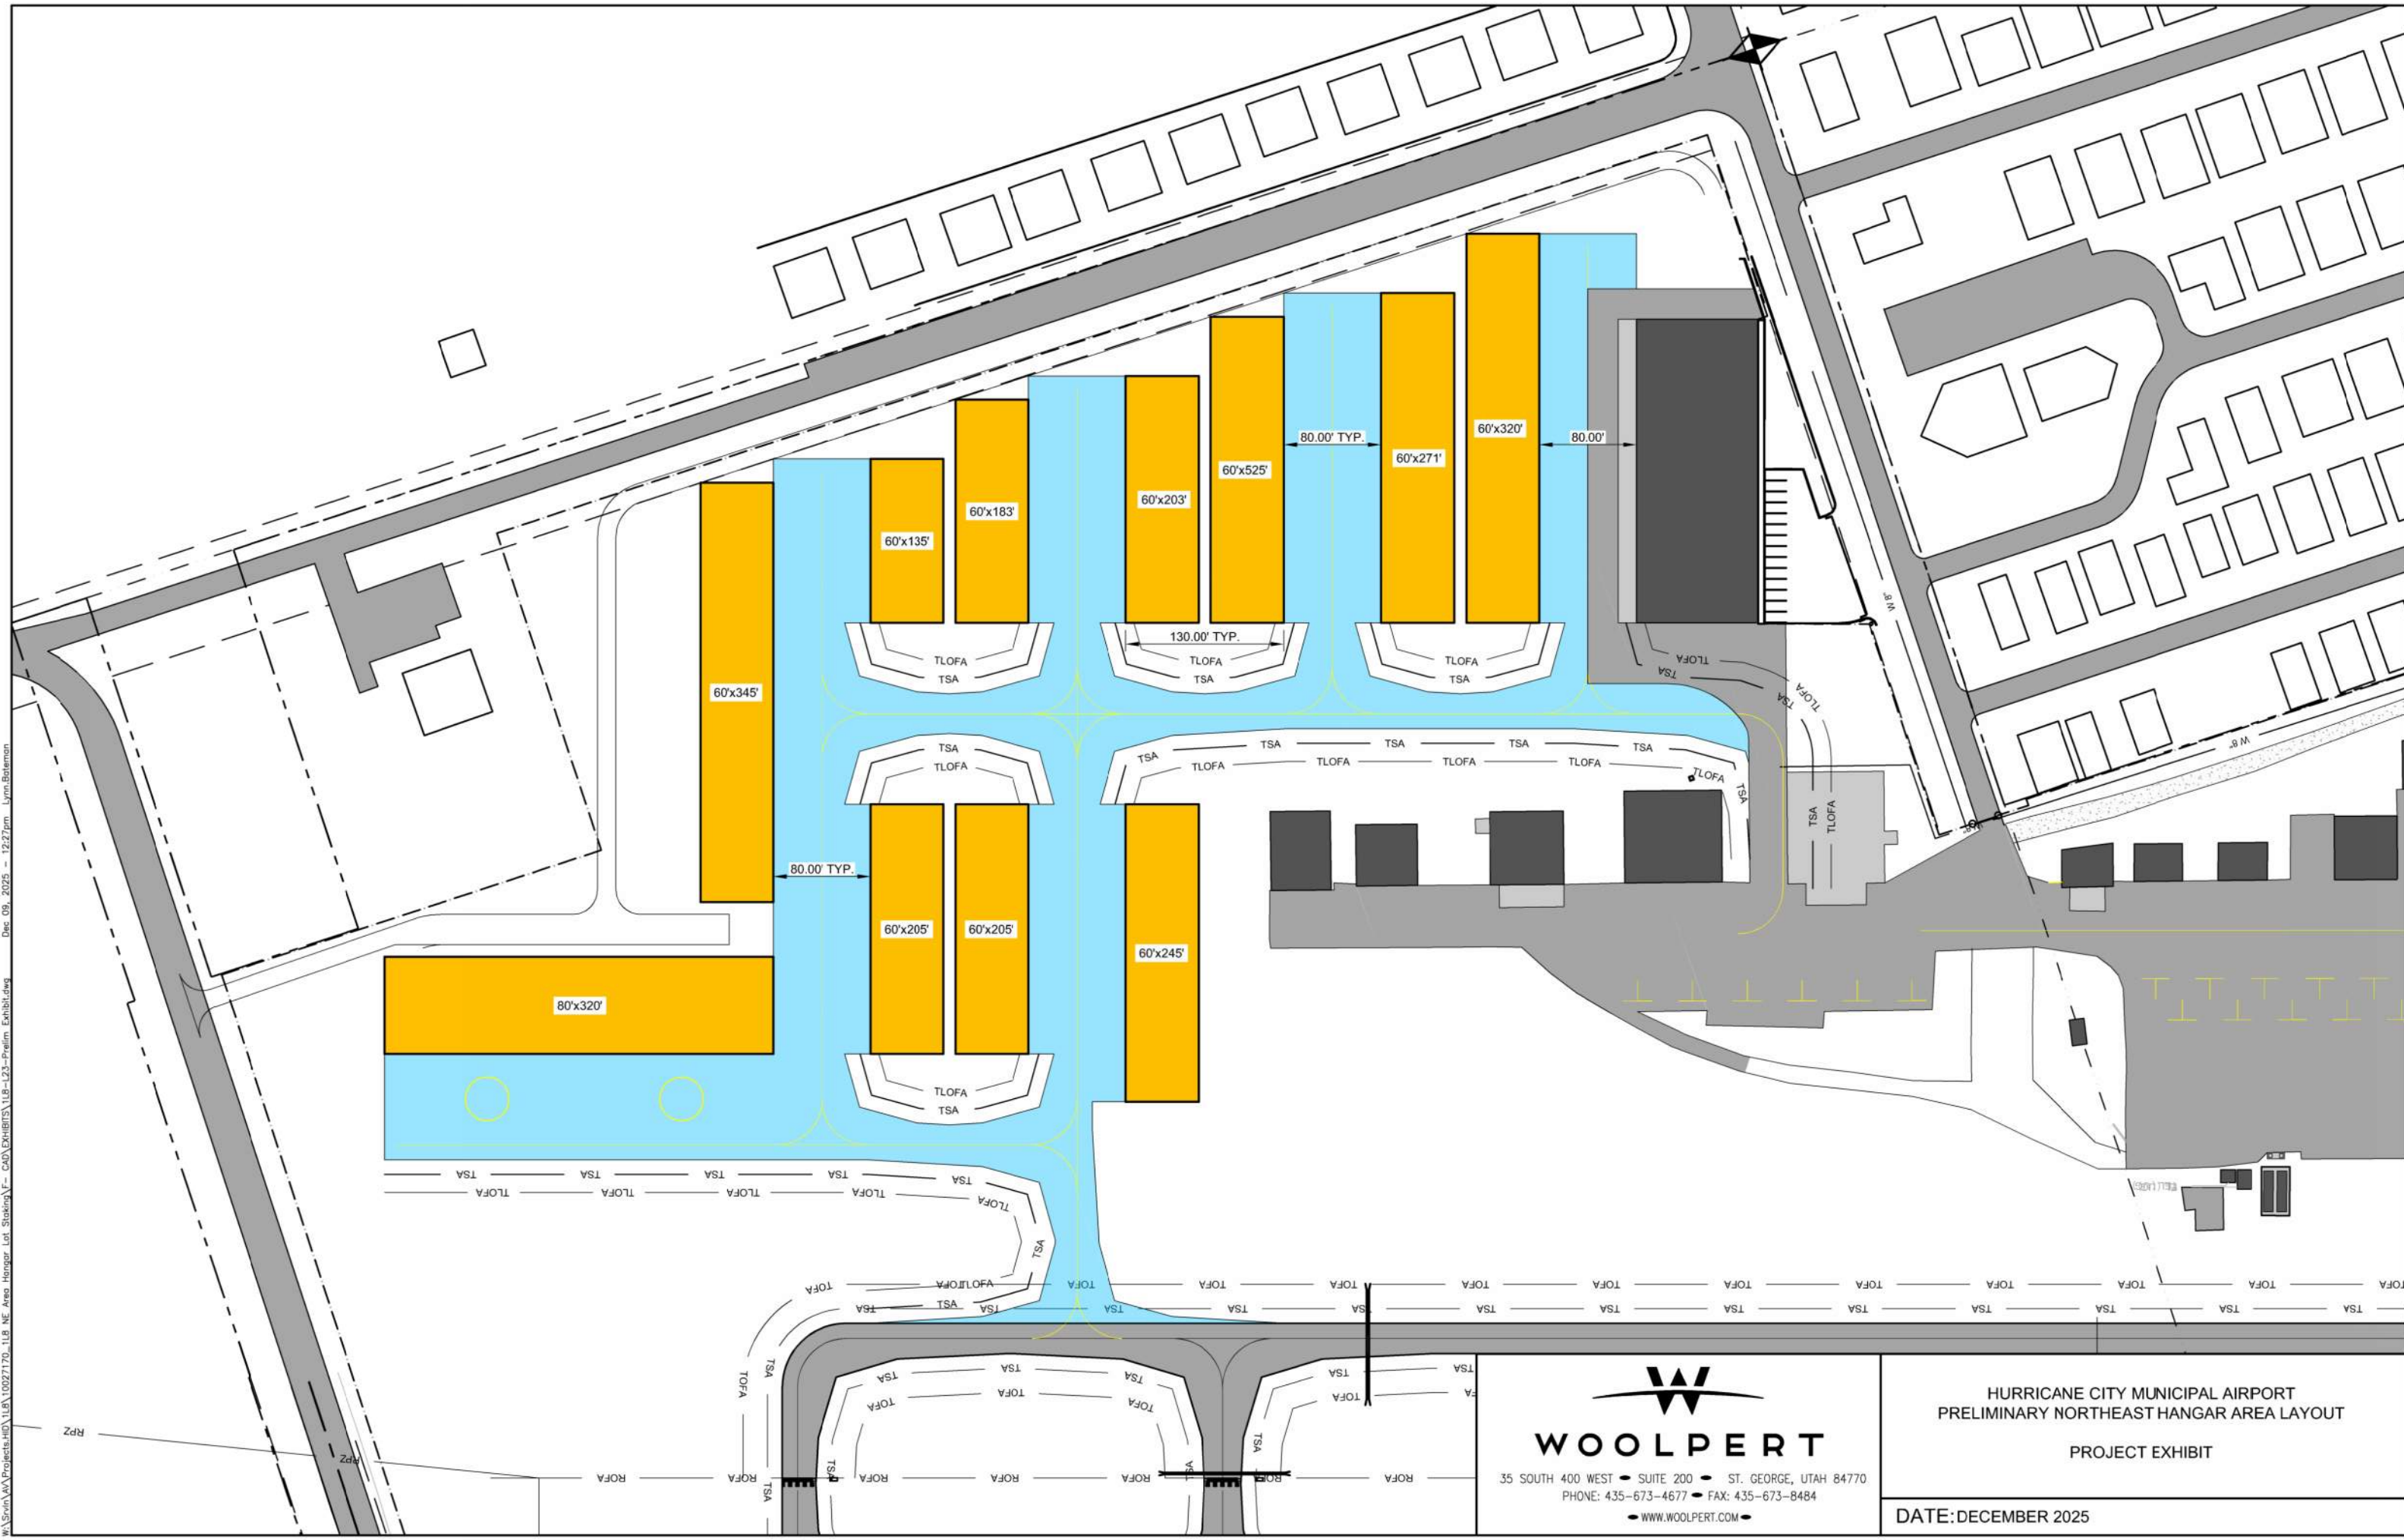

1. Discussion and possible approval of airport hanger layout plan.

Old Business

1. Discussion and possible recommendation to City Council on expansion of the future airport lease boundaries to include all areas developed and construction for the project.
2. Consideration and possible recommendation to City Council regarding a shade lease on Plot 50 at Hurricane Airport for Steve Lemmon.

Adjourn

HURRICANE CITY MUNICIPAL AIRPORT
PRELIMINARY NORTHEAST HANGAR AREA LAYOUT

PROJECT EXHIBIT

DATE: DECEMBER 2025

While discussing soils conditions with Mike Versimak, he mentioned the scope of soils failures at the North Slope subdivision that included “houses settling” and infrastructure failures that were “really bad”. This subject is a critical component to this agenda item. In that same conversation, I brought up 3000 South road and he talked about the “hundreds of thousands of dollars” being spent to repair the settling damages. Then he mentioned that the Balance of Nature project was asking for a “punch list” for final inspection and it was not going to pass. Most of the damages we discussed will be paid for by the taxpayer. The exception will be the homes he mentioned that were settling in North Slope. There will likely be litigation between the developers, builders and home owners over the millions of dollars in damages. It seems likely that the city will be involved in this possible litigation adding insult to the ongoing injury of spending tax dollars on the litigation as well as maintenance of failures.

I want to explore the possible explanations for such ongoing and prevalent soils condition failures, why it’s so wide spread, and who will pay for it.

First let’s include what most of us agree on, to this consent agenda:

1. The projects were submitted with engineering that relied on soils reporting for their engineering recommendations. These plans went through a review by competent city employees along with competent JUC partners.
2. The projects were approved.
3. Soils reporting was done by geo-tech companies.
4. In all cases, the dirt work and underground utilities were installed by high quality construction companies. This work was inspected by trained professionals and confirmed procedures and recommendations were followed.
5. Curb, gutter and sidewalks with surrounding asphalt was installed, inspected, tested, all to the standards required by the engineering that was following the geo-tech standards and recommendations. This work was inspected and completed by trained and professional individuals.
6. In the case of North Slope, multiple high-quality contractors have built homes that were engineered and constructed being governed by soils reports and recommendations. Assumably, as is common, multiple geo-tech companies were used in the subdivision by different general contractors. It is typical for these contractors to use their preferred geo-tech companies based on many factors including cost, availability, etc.
7. All of these three projects were mass over excavated, and mass compacted during re-install of soils, then mass graded, including all future tax payer maintained areas

like streets, sidewalks and c&g. This procedure differs from the current process at the airport.

8. According to Mike, all 3 projects are in a state of failure due to settlement. Failure to adequately mitigate collapsible soils will potentially cost the tax payers and private citizens millions of dollars.

The common denominator and single point of failure seems to be the geo-tech companies' recommendations. NOT the professionals that followed and relied on the recommendations, but rather the recommendations themselves. Recommendations that most, including me, were supplied by well meaning, competent, licensed, well trained, geo-tech companies and engineers working for said companies. And still, they are failing on a catastrophic level.

How does this apply to the Hurricane City Airport?

1. The city accepts recommendations at the airport that are LESS stringent than the above examples of failures.
2. These failures at the airport are almost guaranteed because of current "loopholes" in the requirements by the city at the airport "subdivision" that allow the geo-tech companies to produce a report and recommendations that are not consistent "site wide". In other words, the city does not require the same mass grading, mass settlement by water, core samples to verify the depth of water penetration (very very important), mass re-install and site wide soils mitigation as it required adjacent to the airport on another private development. Are there current failures in that subdivision?
3. The city currently accepts its "subdivision" to be built a single lot, including infrastructure, at a time. This unique approval on its owned property has significantly contributed to the problems related to maintenance at the tax payer's expense.
4. I am in no way advocating for the city to become a developer of its subdivision. I am in no way suggesting that the city uses tax dollars to meet these standards of construction. The ROI for such spending created by the tiny amount of rent per year produced by each land lease or hangar owner, will never be justifiable to the public.

Why should the public and the city insist that the airport be held to the same minimum of standards the adjacent projects are subject to for soils mitigation?

1. We know by example that the current sub-standard recommendations for soils mitigation are going to fail at the tax payers expense. Recent asphalt, curb and gutter, drain boxes and drain lines were not built to the same standards as the above three projects that are failing. It's important to note that the owner, contractors and inspectors are not to blame. It seems like they met the "different rules of standards" that are currently applied at the airport.
2. Even though the tax payers are held accountable for the maintenance inside the airport, they are not allowed to use the same infrastructure as in the above failing projects. Our citizens are not using the walkways inside the airport to conduct daily business. Our school busses are not using the roadways inside of the airport to deliver our children to school. The gate is locked and access is denied to literally 99.99% of the city taxpayers to use in their daily lives.

Who is responsible?

1. We have had many years of on-going changes to the recommendations for soils mitigation. I submit that all of these changes have been reactive. It is common for policy and procedures to predictably fail if they are only dealt with in reaction to a failure.
2. I ask the question, who in the city is responsible to recognize trends or single failures in policy or procedure in subdivision and road construction? What I can say for certain is that is not me! Who has failed to bring this theory to the council with recommendations to fix? The pattern of failure is years long, reactive not proactive, and observed in high percentages of said failures in most projects built on collapsible soils. This has to change immediately.
3. Who will be responsible for continuing the reactive trend of failures in recommendations on city owned property at the airport? At who's expense?

Conclusions:

1. I have presented the Airport board and the city with a theory that explains the current wide spread failures in soils mitigation. The theory here-in is supported with witness quote by the Public Works Director along with verifiable examples procedural and policy changes needed. The question of whom is responsible for the past is way less important than whom will be responsible for inaction to this theory in the future.

2. Not knowing how to pay for “mass grading and mass settlement” is not an excuse to accept new applications for leased ground and approve airport projects that we know will fail at the taxpayer’s and future lessee expense.
3. Until the answer of who will pay for it the council should suspend all lease applications at the airport unless the applicant is willing to lease the full footprint of required construction, including maintenance. The city should consider requiring a bond if said scope of work is deemed high enough in cost to repair above the normal lessees’ reasonable ability to afford. Bottom line, the lease should require insurance or bond equal to estimated cost to fix.
4. Disclosure is critical. This theory, hereby found, along with supporting or dissenting opinions should be disclosed, in writing, to all future applicants at the airport. This is an important step in reducing exposure from lease applicants in the future. The city has been sued for soil failures at the airport in the past, resulting in great cost to the taxpayer.
5. Action by the council to investigate this theory of point of failure in the process, and move to cause the Director of Public Works (if it’s his job) to recommend proactive, working solutions to the wide spread soils conditions failures. Then, report the findings and recommendations to the council for consideration, is critical to lessen the city exposure.

Additional argument for lease expansion/modification to reduce taxpayer burden.

1. Even if all the above is mitigated, the fact remains that 99.99% of Hurricane City residents are not allowed by rules, regulations, policy and law to freely use the facilities around the leased hangers and other private projects inside the airport boundary. I know of no other location that the city maintains with taxpayer dollars, inaccessible walkways and “roadways” that they are required to maintain for what is in many cases private businesses that profit from these tax dollars spent. If anyone at Hurricane wants to lease ground from the city to build any structure for personal or commercial profit use, the lessee must be required to maintain the facilities at their expense.
2. The residents of Hurricane will be provided with a copy of this theory by submission into this meeting’s minutes. It will be very hard for the city to explain why the “parking lot” in front of the “for profit private gas station” at the airport is paid for and maintained by the taxpayers, that the side yards, light poles, electricity for light poles, drainage system etc., all used by airport users, (some to make money), without access by the public, has been built and is maintained by their tax dollar.

They will have a hard time understanding why that is different than the “parking lot” in front of the Chevron station that is maintained by private dollars but yet is still available to our daughters to pull over and use freely in a need for safety or to change a simple flat tire.

3. Public scrutiny of the airport is growing rapidly, we all agree on that. SUU helicopters, the fight about the lights, but most importantly the current high rate of use at the airport by high traffic legal pattern work is contributing to that scrutiny. Increased negative scrutiny is being fueled by a few bad apples that refuse to follow the Noise Abatement Policy. We will build 100's of houses around the airport that will bring more attention to us, especially with the increase of use as well as the increase of “bad” actors breaking the Rules and Regulations. If you count the hangars along with the leased tie down spots that require regular maintenance, there are only 33 citizens of Hurricane. That is a big deal to the citizens of Hurricane! If the City Council changes the lease to include the maintenance of the required “build out”, it gives the city officials the ability to tell the citizens that will be in their ear, that the city has made changes to its policy WITH the recommendation to do so by the airport users.

I am sure many of you have disagreements with the public's perception of “few citizens benefit”, playground for the rich, why they should pay for the airport, public safety, etc, etc, etc..... I submit to you that the vast majority only care about the cost and the noise, it's just a simple fact. They care that there are only a very, very few Hurricane City residents versus nonresidents that own hangars and lease tie down spots in relationship to the cost and noise. The only way the airport has a bright future is to recognize these facts and do our best to mitigate the same cost and noise.

Motion.

I make a motion to recommend that the city council increases the lease foot print on any NEW leases at the Hurricane City Airport with the intent to move the maintenance of the building and surrounding improvements to include the required improvements attached to the approval of the lease. The side yards and back yards should extend to adjoining neighbors without city-maintained space between. The lease should extend a minimum distance of at 15 feet in front of the hangar into the apron. But not exclude drainage or utility easements required to build the project on the leased ground. Many leases may need

to be negotiated for long term inclusion of "offsite" extensions of utilities. These negotiations may include future neighbors sharing in the responsibility of dual or more than one user of improvements. An example of this would be a storm drain box and line used by more than one lease. These shared utilities should be the original lessees' (builder) responsibility with the possibility of shared maintenance when they gain a neighbor.

HURRICANE CITY
UTAH

SASO OPERATING AND LEASE AGREEMENT

BETWEEN

HURRICANE CITY, UTAH

AND

FINAL DESIGN GROUP, LLC

Effective Date: November 20, 2025

Shade Hangar on Plot 50

SASO OPERATING AND LEASE AGREEMENT

THIS SASO OPERATING AND LEASE AGREEMENT (which, as amended from time to time, is defined herein as the ("Agreement") is entered into as of the 20th day of November, 2025, by and between the Hurricane City, Utah, a Utah municipal corporation, (the "City") and Final Design Group, LLC, a Utah limited liability company (referred to collectively herein as the "Tenant").

RECITALS

WHEREAS, City owns and operates an airport located at 800 W. 2300 S., Hurricane, Utah 84737 (the "Airport"); and

WHEREAS, City and Tenant desire to accommodate, promote, and enhance general aviation at the Airport; and

WHEREAS, Tenant is qualified to provide services as a single aeronautical service operator ("SASO") as set forth herein and desires to lease certain real property at the Airport for the purpose of operating a SASO concession on the terms provided in this Agreement;

NOW, THEREFORE, in consideration of the covenants and conditions stated herein, the sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Agreement to Lease and Operate Concession

A. Agreement to Lease Premises. City hereby leases to Tenant and Tenant hereby leases from City that certain real property 10,500 square feet in size including five feet beyond the hangar pad on three sides excluding the front and located at the property identified as Plot 50, a shade hangar as shown on the Airport Layout Plan (the "Premises"). The precise location and orientation of the Premises shall be determined and approved by the City in conjunction with the approval of any building permit on the Premises. Tenant agrees to accept the Premises "as is" and City makes no warranty as to the condition of the Premises or its suitability for any particular purpose.

B. Disclosure of Soil Condition. City discloses to Tenant that the soil at the Airport is collapsible and otherwise unstable. Tenant is responsible to obtain appropriate soil evaluation reports, to adhere to the recommendations in the reports, and take whatever action is necessary to mitigate the soil condition on the Premises. Tenant is responsible to construct the hangar at the engineered drainage elevations so the drainage will flow properly. Tenant will maintain and keep the area around the Premises clear of debris and obstructions so as not to cause disruption in the expected normal drainage flow.

C. Construction of Tenant Improvements. Tenant shall construct or purchase and maintain continuous improvements on the leased Premises, which shall include a concrete pad, an aircraft hangar, fixtures, and any utilities as may be necessary for the Tenant's aviation related activities (referred to herein as the "Tenant Improvements"). Such Tenant Improvements must meet the Airport's Minimum Standards for Commercial Aeronautical Activities and Building Development Standards in effect as of the date of this Agreement. The Tenant agrees to submit plans/drawings of the proposed Tenant Improvements to City within four (4) years of the execution date of this Agreement. Tenant shall be responsible to obtain and pay for proper

building permits for the Tenant Improvements and comply with all the applicable ordinances of the City when planning and constructing the Tenant Improvements. Tenant agrees to complete construction of the proposed Tenant Improvements within twenty four (24) months from the date the building permit is issued.

D. Grant of Concession and Purpose of Agreement. Tenant agrees that it shall have the right, privilege, and obligation to use the Premises for the following purposes: The non-exclusive operation of a SASO concession providing at a minimum the following services (as they may be more specifically required under the Airport's Minimum Standards for Commercial Aeronautical Activities): **Aircraft Shade Hangar Parking**. Tenant shall provide to City the make, model, and registration number of any aircraft owned or controlled by Tenant, or that are subject to an authorized sublease, that are based at the Premises ("Aircraft").

E. Access. City agrees that if Tenant is not in breach of this Agreement, Tenant and Tenant's employees, officers, directors, subtenants that are approved by City pursuant to this Agreement, contractors, subcontractors, suppliers, agents, invitees, and other representatives ("Tenant's Associates") may ingress and egress across the Airport in the areas designated by City and as permitted by applicable Laws and Regulations, on a non-exclusive basis and to the extent reasonably necessary for Tenant's use, occupancy, and operations at the Premises.

F. Right of Flight and Other Reserved Rights. This Agreement conveys only a leasehold interest in the Premises (and grant of concession) on the terms and for the purposes provided herein, and it conveys no other rights, titles, or interest of any kind. City reserves rights in the Premises including but not limited to, a right of aircraft movement on Airport property, a right of flight for the passage of aircraft in the air, a right to cause such noise as may at any time be inherent in the operation of aircraft, subject to the rules, regulations, and policies as may be adopted from time to time by the City, and rights in water, minerals, oil, and gas.

G. Enjoyments of Rights. Subject to Tenant's complete performance of the payment and other obligations contained in this Agreement, Tenant shall enjoy the rights, uses, and privileges stated in this Agreement.

2. Term. The term of this Agreement shall commence on the date of execution of this Agreement and shall continue thereafter for a term of twenty (20) years until November 20, 2045, (the "Initial Term"). If the tenant desires to renew this Agreement, the tenant must notify the City in writing at least 60 days prior to the expiration of the initial term. Upon such notification, this lease shall renew for an additional five (5) year period at the lease rates stated in Section 3 of this Agreement.

3. Rent

A. Rent. For Tenant's lease of the Premises, Tenant covenants to pay to City without off-set or deduction the annual ground as shown in the table below and commencing on the date of execution of this Agreement. All rent shall be due and payable to the City of Hurricane annually in advance, without notice or demand from City, on the 1st day of August. The first years rent payment will be prorated to the next August 1st payment date.

///

///

///

<u>Years</u>	<u>Rent amount per square foot</u>	
2022 – 2027	.15	2058 – 2063 .33
2028 – 2033	.18	
2034 – 2039	.21	
2040 – 2045	.24	
2046 – 2051	.27	
2052 – 2057	.30	

C. Dishonored Checks. If any check paid on behalf of Tenant is dishonored or returned by a bank for any reason, Tenant shall pay all charges assessed to City by the bank plus a service charge of fifty dollars (\$50.00) per occurrence (or such other amount as City shall implement from time to time) in addition to other sums due under this Agreement.

D. Past Due Amounts. If tenant fails to pay when due any amount required to be paid by Tenant under this Agreement, such unpaid amount shall bear interest at the rate of eighteen percent (18%) from the due date of such amount to the date of payment in full, with interest. In addition, City may charge a sum of five percent (5%) of such unpaid amount as a service fee, which the parties agree is a reasonable amount to cover the additional costs for billing and collecting arising from Tenants failure to make payment in a timely manner. All amounts due under this Agreement are and shall be deemed to be rent, and shall be paid without abatement, deduction, off-set, prior notice, or demand (unless expressly provided by the terms of this Agreement). City's acceptance of any past due amount either full or partial (or its associated interest or service fee) shall not constitute a waiver of any default under this Agreement.

4. Tenant's Use of Premises and Airport

A. No Interference. Tenant and Tenant's Associates shall not use the Premises or the Airport in any manner that interferes with any operation at the Airport or decreases the Airport's effectiveness, as reasonably determined by the City at its sole discretion. Tenant shall promptly notify City of any use that creates such interference or decrease of effectiveness and remedy the same to City's satisfaction.

B. Comply with all Laws and Regulations. Tenant and Tenant's Associates shall comply at all times, at Tenant's sole cost, with any and all laws and regulations (as amended or otherwise modified from time to time) that are applicable to Tenant's use, occupancy, or operations at the Premises or the Airport (the "Laws and Regulations"), which include but not limited to, the Airport Rules and Regulations, Policies and Procedures, Minimum Standards for Commercial Aeronautical Activities, Utah Code Annotated, the Code of Revised Ordinances of the Hurricane City, the Protective Covenants of the Hurricane City Airport, applicable Federal Aviation Regulations, and all lawful, reasonable, and nondiscriminatory Airport policies and other requirements.

C. No Unauthorized Use. Tenant and Tenant's Associates shall use the Premises and the Airport only for purposes that are expressly authorized by this Agreement and shall not engage in any unauthorized use of the same. Unauthorized uses include, but are not limited to, any use that would damage, interfere with, or alter any improvement; restricting access on any road or other area that Tenant does not lease; placing waste materials on the Airport or disposing of such materials in violation of any Laws and Regulations; any use that would constitute a public or private nuisance or a disturbance or annoyance to other Airport users; the

use of automobile parking areas in a manner not authorized by City; fueling activities on the Premises or any other area that City has not authorized; commercial activities except those activities authorized herein, aircraft parking, or storage in areas not leased by Tenant, any use unrelated to the purposes of this Agreement; and any use that would be prohibited by or would impair coverage under either party's insurance policies.

D. Permits and Licenses. Tenant shall obtain and maintain in current status all permits and licenses that are required under any Laws and Regulations in connection with Tenant's use, occupancy, or operations at the Premises or the Airport. In the event that Tenant receives notice from any governmental authority that Tenant lacks, or is in violation of, any such permit or license, Tenant shall provide City with timely written notice of the same.

E. Taxes and Liens. Tenant shall pay (before their respective due dates) all taxes, fees, assessments, and levies that relate to Tenant's use, occupancy, or operations at the Premises or the Airport and all other obligations for which a lien may be created relating thereto (including, but not limited to, utility charges and work for the Tenant Improvements). Within ten (10) days of notice of any such lien, Tenant shall have the lien removed or deposit with the City cash or other security acceptable to City in an amount sufficient to cover the cost of removing such lien. When contracting for any work in connection with the Premises, Tenant shall include in such contract a provision prohibiting the contractor or any subcontractor or supplier from filing a lien or asserting a claim against City's real property or any interest therein.

F. Damage to Property and Notice of Harm. Tenant, at Tenant's sole cost, shall repair or replace to City's satisfaction any damaged property that belongs to City or City's other Tenants to the extent that such damage arises from or relates to an act or omission of Tenant or Tenant's Associates. Tenant shall promptly notify City of any such property damage. If Tenant discovers any other potential claims or losses that may affect City, Tenant shall promptly notify City of the same.

G. No Alterations or Improvements. Tenant shall not make or cause to be made any alterations or improvements to the Premises or to other areas of the Airport without City's prior written consent.

H. Security. Tenant is responsible to comply, at Tenants sole cost, with all security measures that City, Federal Aviation Administration, the United States Transportation Security Administration or any other governmental authority having jurisdiction may require in connection with the Airport. Tenant shall protect and preserve security at the Airport, including, but not limited to, protecting security information and protecting any access points to the Airport that are maintained by Tenant. Tenant will be vigilant in watching for unusual activity or persons that do not belong at the Airport, and will report such to the Airport Manager or by calling 1-866-GA-SECURE.

I. Removal of Disabled or Derelict Aircraft. Tenant shall promptly remove or cause to be removed from any portion of the Airport not leased by Tenant the Aircraft (or any other aircraft that Tenant owns or controls) if it becomes disabled or derelict. Tenant may store such aircraft within the Tenant Improvements or, with the City's prior written consent, elsewhere at the Airport on terms and conditions established by City. If Tenant fails to comply with this requirement after a written request by City to comply, City may (but is not required to) cause the removal of any such aircraft at Tenant's expense by any means that City determines to be in City's best interests.

J. Maintenance, Repair, Utilities, and Storage. Tenant's use, occupancy, and operations at the Premises shall be without cost or expense to the City. Tenant shall be solely responsible to design and construct the Tenant Improvements and to maintain, repair, reconstruct, and operate the Premises and the Tenant Improvements at Tenant's sole cost and expense, including, but not limited to, all utility services, janitorial services, waste disposal, and ramp repair. Tenant shall at all times maintain the Premises and the Tenant Improvements in a condition that is clean, safe, sanitary, and in good repair. Tenant shall perform all work in accordance with Laws and Regulations and in a good and workmanlike manner. City has sole discretion to determine the quality of the work. Tenant shall promptly remedy any condition that fails to meet this standard. In addition to other restrictions and requirements contained in this Agreement, Tenant shall not store outside of the Tenant Improvements (aircraft hangar) any inoperable equipment, discarded or unsightly materials, materials likely to create a hazard, trailers (except trailers designed to carry gliders), inoperative motor vehicles, or any other similar items. Tenant is responsible to keep the area five feet out from all four sides of the aircraft hangar clear of weeds and any debris.

K. Operations. Tenant's operations shall comply with the following.

(i) Airport Operations. Tenant shall occupy the Premises and shall operate at a minimum during normal business hours. Tenant shall operate in a manner that promotes effective Airport operations. Among other things, Tenant shall immediately notify the Airport Manager of any condition observed at the Airport that may create a hazard or disruption; Tenant shall refrain from annoying, disturbing, or impairing Airport customers, tenants, or employees; Tenant shall promptly respond to City's requests for information and reasonable assistance in connection with planning and other operational matters at the Airport; Tenant shall not divert business to off-Airport locations or engage in discriminatory business practices; and Tenant shall promptly respond to City's requests for information and reasonable assistance in connection with planning and other operational matters at the Airport.

(ii) Concession Service Standard. Tenant's concession shall provide high quality services and facilities in a good and proper manner to effectively meet the needs of the public and City. The privilege to operate this concession shall exist only so long as the character of Tenant's facilities and services are consistent with such standard.

(iii) Complaints. Tenant shall respond in a prompt manner to questions and complaints regarding Tenant's operations when raised by Airport users or by City, and Tenant shall provide a timely resolution of such questions and complaints.

(iv) Emergencies. If City determines for any reason that emergency conditions exist at the Airport, Tenant shall participate in any emergency response as directed by City or other agency in charge and shall operate in a manner that protects safety and the interests of the public.

(v) Safety. Tenant shall maintain appropriate safety items at the Premises as may be required by the City, Local Fire Authority, or other governmental agency, and shall ensure that Tenant's personnel are properly trained in the use of such safety items.

(vi) Personnel. Tenant shall control the conduct, demeanor, and appearance of its employees and Tenant's Associates so they do not annoy, disturb, or impair Airport customers,

tenants, or employees. Tenant shall provide the Airport Manager with the name and contact number of a person who is responsible for and has authority to act on behalf of Tenant.

(vii) Deficiencies. Without limiting or waiving any other remedies available to City, including declaring a breach of this Agreement, City's remedies shall include the following in connection with deficiencies in Tenant's operations.

(a) Propose and Implement Cure. Tenant shall meet with the Airport Manager as he or she may request regarding the quality of Tenant's operations, whether or not in connection with a specific complaint. Tenant shall propose curative measures in response to City's determinations regarding deficiencies in Tenant's operations and shall implement as expeditiously as possible measures that are approved by City.

(b) Remove Employees and Associates. City shall have the right to require Tenant to remove from the Airport any employee or any of Tenant's Associates that City reasonably determines to be in violation any provision of this Agreement or otherwise detrimental to City's interests at the Airport.

5. City's Rights and Obligations

A. Airport Maintenance. Subject to subparagraph C. of this section, City agrees that as long as the Airport is certified to operate as an airport by the Federal Aviation Administration (or any successor agency), City shall keep the property of the Airport in good repair and free from obstruction in accordance with applicable Federal standards.

B. Access to Premises. City for itself and its employees, officers, directors, agents, and other representatives ("City's Associates") reserves the right to enter the Premises and Tenant Improvements at reasonable times and with reasonable notice for any purpose relating to the Airport including, but not limited to, conducting inspections, determining compliance with this Agreement, conduct Airport work, or for emergency purposes, provided that they shall not unreasonably interfere with Tenant's use of the Premises or Tenant's Improvements.

C. City's Right to Relocate Tenant's Improvements from Premises. It is understood and agreed that as conditions may require, the City has the right to require Tenant to relocate Tenant's Improvements from the Premises to a new location at a new airport if the City elects to relocate the Airport, which would be comparable to Tenants current leased Premises. Tenant shall bear the costs associated with relocating Tenant's Improvements and property to the new location. City agrees to provide the Tenant with a new SASO Operating and Lease Agreement for the new location upon the same terms and conditions as are contained herein for the unexpired term of this Agreement.

D. City Charges. City has the right to impose rates and charges in connection with any matter at the Airport in a manner consistent with Laws and Regulations.

E. City Directives. City is the owner and proprietor of the Airport, and City has the right to issue any lawful, reasonable, and non-discriminatory directive as a landlord and proprietor that City determines to be in City's best interests.

F. Governmental Acts. City is a governmental entity, and City has all rights, powers, immunities, and privileges afforded to it under Laws and Regulations. Tenant agrees that

Tenant is subject to any lawful governmental act of City without regard to the provisions of this Agreement.

///

6. Indemnification, Insurance, and Letter of Credit

A. Indemnity by Tenant. Tenant agrees to indemnify, hold harmless, and defend City and its officers and employees from and against losses of every kind and character (including but not limited to, liabilities, causes of action, losses, claims, costs, fees, attorney fees, expert fees, court of dispute resolution costs, investigation costs, environmental claims, mitigation costs, judgments, settlements, fines, demands, damages, charges, and expenses) that arise out of or relate to: (i) this Agreement; (ii) any use, occupancy, or operations at the Premises or the Airport by Tenant or Tenant's Associates; or (iii) any wrongful, reckless, or negligent act or omission of Tenant or Tenant's Associates. Tenant shall use attorneys, experts, and professionals that are reasonably acceptable to City in carrying out this obligation. This obligation does not require Tenant to indemnify City and its officers and employees against losses (as defined above) that arise solely from the negligent acts or omissions of City and its officers and employees. The obligation stated in this Section 6.A. shall survive the expiration or other termination of this Agreement with respect to matters arising before such expiration or other termination. These duties shall apply whether or not the allegations made are proven to be true.

B. Waiver. Tenant assumes all risk of the use of the Premises and the Airport, and Tenant hereby knowingly, voluntarily, and intentionally waives any and all losses, liabilities, claims, and causes of action, of every kind and character, that may exist now or in the future (including, but not limited to, claims for business interruption and for damage to any aircraft) against City and its officers, employees, and volunteers arising from or related to Tenant's use, occupancy, or operations at the Premises or the Airport.

C. Insurance. At Tenant's cost, Tenant shall procure the following insurance coverage prior to entering the Premises, and Tenant shall maintain its insurance coverage in force at all times this Agreement is in effect:

i. Aircraft Liability with Additional Coverage. Aircraft liability insurance that includes premises liability, and, if applicable, mobile equipment coverage with a combined single limit for bodily injury and property damage of not less than one million dollars (\$1,000,000) per occurrence (and one hundred thousand dollars (\$100,000) per passenger seat for applicable claims), including, but not limited to, contractual liability coverage for Tenant's performance of the indemnity agreement set forth in Section 6.A. If any such coverage is not available to Tenant in the form of an aircraft liability policy, Tenant shall obtain substantially similar coverage through a commercial general liability policy.

ii. Property. Tenant is solely responsible for Tenant's Improvements and Tenant's personal property, and Tenant may purchase insurance for Tenant's Improvements and Tenant's personal property as Tenant may determine.

iii. Automobile. If Tenant drives any automobile other than in the roadways and automobile parking areas at the Airport (including, but not limited to, if Tenant parks an automobile in Tenant's hangar when permitted by this Agreement), comprehensive automobile liability coverage for claims and damage due to bodily injury or death of any person or property

damage arising out of Tenant's ownership, maintenance, or use of any motor vehicles, whether owned, hired, or non-owned, of not less than five hundred thousand dollars (\$500,000) single combined limit "per accident" for bodily injury and property damage.

iv. Pollution. Tenant is responsible for environmental losses. Any pollution legal liability insurance obtained by Tenant shall comply with the requirements for insurance that are stated in this Agreement. If Tenant engages in self-fueling, Tenant shall comply with City's self-fueling requirements, including, but not limited to, pollution legal liability insurance requirements.

v. Aircraft. Tenant is solely responsible for any damage to the Aircraft. Tenant shall obtain insurance coverage for the Aircraft as Tenant may determine.

vi. Business Interruption. Tenant is solely responsible for all costs of business interruption, however incurred, and Tenant may purchase business interruption insurance as Tenant may determine.

D. Insurance Requirements. The insurance described by this section have the following requirements:

i. General Requirements. At all times when this Agreement is in effect, Tenant shall maintain in force all required insurance coverage and shall have on file with the City Certificates of Insurance evidencing the same. Such certificates shall provide that coverage will not be cancelled, suspended, voided, or reduced without at least thirty (30) days prior written notice to the City. Ratings for the financial strength of the companies providing Tenant's insurance policies shall be disclosed in such certificates and shall be "A- VII" or stronger as published in the latest Best's Key Rating Guide (or a comparable rating from a comparable rating service). If a lower rating is proposed, City may examine the financial strength of the insurance company proposed to provide coverage and may consent to a lower rating in the City's sole and absolute discretion, and City may also require additional assurances from Tenant. All certificates shall be signed by a person authorized by the insurer and licensed by the State of Utah. All policies (except any policies required for worker's compensation or error and omissions) and the certificates evidencing coverage shall name City and its officers, employees, and volunteers as additional insureds (or in the case of property coverage, City shall be named as a loss payee). Tenant shall provide for a renewal of all insurance coverage on a timely basis to prevent any lapse in coverage. City retains the right to approve any deductibles, and Tenant shall notify City of any material erosion of the aggregate limits of any policy. Tenant's policies shall be primary. Such policies shall extend insurance to cover Tenant's contractual obligations under this Agreement.

ii. Minimum Requirements. City's insurance requirements are minimum requirements, and Tenant is responsible to obtain adequate insurance coverage as Tenant may determine. Except as otherwise expressly set forth in this Agreement, Tenant assumes all risk under this Agreement (including, but not limited to, business interruption claims) whether or not insured.

iii. Waiver of Subrogation. Notwithstanding any other provision contained in this Agreement, each of the parties hereby waives any rights of subrogation it may have against the other party for loss or damage from any risk that is covered by insurance (including, but not limited to, claims for business interruption). Each of the parties shall obtain a clause or endorsement providing for such waiver of subrogation in any policies of insurance required under this Agreement.

iv. Terms Subject to Change. City, in its sole and absolute discretion, reserves the right to review and adjust at any time Tenant's required insurance limits, types of coverage, and any other terms applicable to insurance to reasonably insure against any risk associated with this Agreement or Tenant's use, occupancy, or operations at the Airport. Among other things, City may review any or all insurance coverage on a periodic basis and in connection with any specific activity or event associated with the Airport or proposed by Tenant.

v. Stopping Operations. Among City's remedies, if at any time Tenant's insurance coverage is not in effect as required herein, City may (but is not required to) stop all or any portion of Tenant's operations without liability to City until Tenant fully restores such coverage.

E. Performance Security. City reserves the right to require a performance security in a form and amount acceptable to City upon any material default by Tenant under this Agreement.

7. **Hazardous Materials**. Tenant shall not cause or permit any Hazardous Materials to be used, produced, stored, transported, brought upon, or released on, under, or about the premises or the Airport by Tenant or Tenant's Associates in violation of applicable Environmental Laws. Tenant is responsible for any such violation as provided by Section 6.A. of this Agreement. Tenant agrees that in the event of a release or threat of release of any Hazardous Material by Tenant or Tenant's Associates at the Airport, Tenant shall provide City with prompt notice of the same. Tenant shall respond to any such release or threat of release in accordance with applicable Laws and Regulations.

8. **Assignment and Subleasing**

A. Assignment. Tenant shall not assign any of its rights under this Agreement, including, but not limited to, rights in the Tenant Improvements, (whether such assignment is voluntary or involuntary, by merger, consolidation, dissolution, change in control, or any other manner), shall not encumber any such rights or record this Agreement (or any document or interest related thereto) and shall not delegate any performance under this Agreement, except with prior written consent of City to any of the same. City will not unreasonably withhold written consent to an assignment of this Agreement.

B. Subleasing. With prior written consent of City, Tenant shall have the right to sublease portions of the Premises and Tenant Improvements only for the purposes specified in this Agreement or to store an aircraft. City shall have the right to approve any sublease tenant and sublease agreement. Tenant shall impose on any approved sublease tenant the same terms set forth in this Agreement to provide for the rights and protections afforded to City. Tenant shall reserve the right to amend any sublease to conform to the requirements of this Agreement, and any sublease shall be consistent with and subordinate to this Agreement as it is amended from time to time. Any sublease shall include an agreement that the sublease will attach to and pay rent to City if Tenant ceases to be a party to this Agreement. Tenant shall provide to City a copy of any sublease executed by Tenant. No sublease shall relieve Tenant of any obligations under this Agreement.

9. **Damage, Destruction, and Condemnation**

A. Damage or Destruction of Premises. If any portion of the Premises or the Tenant Improvements is damaged in any manner, Tenant shall promptly remove from the Airport all

debris and cause repairs to be made to restore the same to an orderly and safe condition. All work shall be performed in accordance with plans and specifications that are approved by City as being consistent or better than the original improvements, and Tenant shall follow City's policies and procedures regarding obtaining building permits as necessary. Tenant shall apply all proceeds that are made available from Tenant's insurance policies (or those of any subtenant or assignee) to performing such work. If City performs such work pursuant to Section 10.B, such insurance proceeds shall be paid to City. If the Premises or Tenant Improvements are tenable despite such damage, Tenant shall not receive any abatement of Tenant's rent obligations. To the extent that any portion is rendered untenable by such damage in light of the purposes of this Agreement (as determined by City in its sole discretion), rent shall continue if Tenant has business interruption insurance, or if Tenant does not have such insurance, City shall abate Tenant's rent proportionately until repairs have been substantially completed (as determined by City in its sole discretion).

B. Condemnation. In the event of any condemnation proceeding in which all or any part of the Premises is taken (by a condemnor other than the City), all compensation from such proceeding shall be paid to City, except that Tenant may pursue a claim against the condemnor for the value of the Tenant Improvements and Tenant's leasehold interest and any subtenants may pursue a claim against the condemnor for the value of their subtenancy interests. In the event of a partial taking, City shall reduce the ground rent payable by Tenant on a pro rata basis for portions of the premises so taken. If City determines in its sole discretion that all or a material portion of the premises will be (or has been) rendered untenable as a result of such taking, City may terminate this Agreement by giving Tenant a written notice of termination, and this Agreement shall terminate at time specified in the notice (which shall not be less than sixty (60) days after the date of such notice).

10. Default

A. Tenant's Default. Each of the following events shall constitute a default or breach of this Agreement by the Tenant. (i) Tenant fails to timely pay any installment of rent; (ii) Tenant violates any requirement under this Agreement (including, but not limited to, abandonment of the Premises) and fails to cure the same within sixty (60) days after written notice thereof by City to Tenant; (iii) Tenant assigns or encumbers any right in this Agreement, delegates any performance hereunder, or subleases any part of the Premises (except as expressly permitted in this Agreement); (iv) Tenant files a petition in bankruptcy, becomes insolvent, or has a petition filed against Tenant in bankruptcy, insolvency, or for reorganization or appointment of a receiver or trustee which is not dismissed within sixty (60) days; (v) Tenant petitions for or enters into an arrangement for the benefit of creditors, or suffers this Agreement to become subject to a writ of execution and such writ is not released within thirty (30) days; or (vi) Tenant defaults in constructing a Tenant Improvement as provided for in this Agreement.

B. Remedies. Upon default by Tenant under this Agreement, City may (at any time) pursue any or all remedies available to City, including, but not limited to, the following: (i) perform in Tenant's stead any obligation that Tenant has failed to perform, and Tenant shall promptly pay to City all costs incurred by City for such performance; (ii) terminate Tenant's rights under this Agreement upon delivering a written notice of termination; and (iii) re-enter and take possession of the Premises by any lawful means (with or without terminating this Agreement). Tenant shall pay all costs and damages arising out of Tenant's default, including, but not limited to, the cost of recovering possession of the Premises, the cost of improving and re-letting the Premises, and any attorney fees and costs. Notwithstanding any termination or re-entry, Tenant shall remain liable to pay the rent required under this Agreement for the remaining term of this

Agreement, and Tenant shall pay City on demand for any deficiency in the same. No action by City or City's Associates shall be construed as an election by City to terminate this Agreement or accept any surrender of the Premises unless City provides Tenant with a written notice expressly stating that City has terminated this Agreement or accepted a surrender of the Premises. Following a default by Tenant under this Agreement, City shall exercise commercially reasonable, good faith efforts to mitigate its damages as required by applicable Utah law.

C. Default by City. City shall not be in default under this Agreement unless City fails to perform an obligation required of City under this Agreement within thirty (30) days after written notice by Tenant to City. If the nature of City's obligation is such that more than thirty (30) days are reasonably required for performance or cure, City shall not be in default if City commences performance within such thirty (30) day period and thereafter diligently prosecutes the same to completion. In no event may Tenant terminate this Agreement or withhold the payment of rent or other charges provided for in this Agreement as a result of City's default.

D. Survival. The provisions of this Section 10 and the remedies and rights provided in Section 6 shall survive any expiration or termination of this Agreement.

11. Expiration or Termination

A. Tenant's First Right of Refusal. If the City elects to re-let the Premises upon the expiration of this Agreement, and if the Tenant is in compliance with the terms of this Agreement, the Tenant shall have the first right of refusal to enter into a new lease of the Premises upon the terms and conditions as the City Council at the time may require. No sooner than 180 days and no later than 30 days before the end of the term of this Agreement, Tenant shall notify City in writing that Tenant desires to exercise its right of first refusal under this paragraph, after which the Tenant's right of first refusal shall expire. Tenant's refusal to enter into a new lease upon the terms and conditions required by the City Council at the time shall also result in the expiration of Tenant's right of first refusal.

B. Disposition of Tenant Improvements. Upon the termination of this Agreement before or on the expiration date, Tenant shall do one of the following at the option of City: (1) enter into a new lease to relet the Premises pursuant to Tenant's right of first refusal as set out in Section 11.A.; (2) surrender the Tenant Improvements to City if City has determined to accept the Tenant Improvements, with Tenant's rights, title, and interests in the Tenants Improvements being deemed transferred to the City upon the City accepting the same; or (3) remove all Tenant Improvements from the Premises and Airport at Tenant's sole expense in a manner acceptable to City (and the obligations of section 6.A. shall apply to such removal). If Tenant fails to remove any Tenant Improvements under subsection (4), City may do so in any manner acceptable to City pursuant to Section 10.B.

C. Surrender of Premises. Unless the Premises is relet to Tenant prior to the expiration of this Agreement pursuant to Section 11.A., upon any expiration or termination of this Agreement, Tenant, at Tenant's sole cost, shall (i) promptly and peaceably surrender to City the Premises (and any Tenant Improvements accepted by the City pursuant to Section 11.B) "broom clean" and in good order and condition, excepting reasonable wear and tear; (ii) repair in a good and workmanlike manner any damage to the Premises or the Airport that arises from or relates to Tenant's use, occupancy, or operations under this Agreement (including, but not limited to, while removing any property upon expiration or termination); (iii) deliver to City all keys and access credentials relating to the Airport; (iv) perform Tenant's environmental obligations as provided in Section 7; and (v) remove all movable personal property and trade

fixtures (including signage) that are not owned by City, (except that Tenant must obtain City's prior written consent to remove any such property if Tenant is in default under this Agreement or if such removal may impair the structure of any building). Upon any expiration or termination of this Agreement (which includes, but is not limited to, termination for abandonment of the Premises), all property that Tenant leaves on the Premises shall conclusively be deemed to have been abandoned and may be appropriated, sold, stored, destroyed, or otherwise disposed of by City without notice to, and without any obligation to account to, Tenant or any other person (except that Tenant Improvements shall be as provided in Section 11.B). Tenant shall pay to City all expenses incurred in connection with the disposition of such property in excess of any amount received by City from such disposition. Tenant shall not be released from Tenant's obligations under this Agreement in connection with surrender of the Premises until City has inspected the Premises and delivered to Tenant a written acceptance of such surrender.

D. Holding Over. If Tenant remains in possession of the Premises after any expiration or termination of this Agreement, such occupancy shall not waive any default under this Agreement and City may terminate such occupancy as a tenancy at will in accordance with Utah Law. During such occupancy, Tenant shall comply will all provisions of this Agreement that are applicable to an at-will-tenancy, and Tenant shall pay the following rent: ground rent at the highest rate then charged at the Airport and rent for the Tenant Improvements at fair market value based on City's survey of rent for similarly situated facilities at the Airport and at other western airports.

E. Survival. The provisions of this Section 11 shall survive any expiration or termination of this Agreement.

12. General Provisions

A. No Exclusive Rights. Nothing in this Agreement shall be construed to grant to Tenant any exclusive right or privilege for the conduct of any activity on the Airport (except to lease the Premises for Tenant's exclusive use as provided herein).

B. Agreement Preserves City's Compliance. This Agreement shall be interpreted to preserve City's rights and powers to comply with City's Federal and other governmental obligations.

C. Subordination to City's Government Commitments. This Agreement is subordinate to the provisions of any agreement between City and the United States or other governmental authority (regardless of when made) that affects the Airport, including, but not limited to, agreements governing the expenditure of Federal funds for Airport Improvements. In the event that the Federal Aviation Administration or other governmental authority requires any modification to this Agreement as a condition of City entering any agreement or participating in any program applicable to the Airport, Tenant agrees to consent to any such modification. If a governmental authority determines that any act or omission of Tenant or Tenant's Associates has caused or will cause City to be non-compliant with any of City's government commitments, Tenant shall immediately take such actions that may be necessary to preserve City's compliance with the same.

D. Subordination to Financing and Matters of Record. This Agreement is subordinate to the provisions of any agreements or indentures entered by City (regardless of when entered) in connection with any debt financing applicable to the Airport and is subordinate to any matter of record affecting the real property of the Airport.

E. Force Majeure. No act or event, whether foreseen or unforeseen, shall operate to excuse Tenant from the prompt payment of rent or any other amounts required to be paid under this Agreement. If City (or Tenant in connection with obligations other than payment obligations) is delayed or hindered in any performance under this Agreement by a force majeure event, such performance shall be excused to the extent so delayed or hindered during the time when such force majeure event is in effect, and such performance shall promptly occur or resume thereafter at the expense of the party so delayed or hindered. A “force majeure event” is an act or event, whether foreseen or unforeseen, that prevents a party in whole or in part from performing as provided in this Agreement, that is beyond the reasonable control of and not the fault of such party, and such party has been unable to avoid or overcome by exercising due diligence, and may include, but is not limited to, acts of nature, war, riots, strikes, accidents, fire, and changes in law.

F. Rights and Remedies. Except as expressly set forth in this Agreement, the rights and remedies set forth in this Agreement are not intended to be exhaustive and the exercise by either party of any right or remedy does not preclude the exercise of any other rights or remedies that may now or subsequently exist.

G. Attorneys Fees. If any action is brought to recover any rent or other amount under this Agreement because of any default under this Agreement, to enforce or interpret any of the provisions of this Agreement, or for the recovery of possession of the Premises, the party prevailing in such action shall be entitled to recovery from the other party(s) reasonable attorneys fees, court costs, the fees of experts and other professionals, and other costs arising from such action (including those arising from any appeal), the amount of which shall be fixed by the court and made a part of any judgment rendered. Tenant shall be responsible for all expenses, including but not limited to, attorney fees incurred by the City in any case or proceeding involving the Tenant or any permitted assignee of Tenant under or related to any bankruptcy or insolvency law. The provisions of this Section 12.G. shall survive any expiration or termination of this Agreement.

H. Governing Law, Venue, and Waiver of Jury Trial. This Agreement and the respective rights and obligations of the parties shall be governed by, interpreted, and enforced in accordance with the Laws of the State of Utah. Venue for any action arising out of or related to this Agreement or actions contemplated hereby may be brought in the United States District Court for Utah or the District Court for the State of Utah sitting in Washington County, Utah so long as one of such courts shall have subject matter jurisdiction over such action or proceeding, and each of the parties hereby irrevocable consents to the jurisdiction of the same and of the appropriate appellate courts there from. Process in any such action may be served on any party anywhere in the world. CITY AND TENANT EACH KNOWINGLY, VOLUNTARILY, AND INTENTIONALLY WAIVES ITS RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM BROUGHT BY EITHER OF THEM AGAINST THE OTHER FOR ALL MATTERS ARISING OUT OF OR RELATING TO THIS LEASE OR ANY USE, OCCUPANCY, OR OPERATIONS AT THE PREMISES OR THE AIRPORT. The provisions of this Section 12.H. shall survive any expiration or termination of this Agreement.

I. Amendments and Waivers. No amendment to this Agreement shall be binding on City or Tenant unless reduced to writing and signed by both parties. No provision of this Agreement may be waived, except pursuant to a writing executed by the party against whom the waiver is sought to be enforced.

J. Severability. If any provision of this Agreement is determined to be invalid, illegal, or unenforceable, the remaining provisions of this Agreement shall remain in full force and effect if both the economic and legal substance of the transactions that this Agreement contemplates are not affected in any manner materially adverse to any part. If any provision of this Agreement is held invalid, illegal, or unenforceable, the parties shall negotiate in good faith to modify this Agreement to fulfill as closely as possible the original intents and purposes of this Agreement.

K. Merger. This Agreement constitutes the final, complete, and exclusive agreement between the parties on the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement. In entering into this Agreement, neither party has relied on any statement, representation, warranty, now agreement of the other party except for those expressly contained in this Agreement. Any proposal materials or exhibits submitted by Tenant in response to a solicitation by City, to the extent accepted by City, shall also be incorporated in this Agreement.

L. Confidentiality. Tenant acknowledges that City is subject to legal requirements regarding the public disclosure of records. Tenant shall comply with such laws in connection with making any request that City maintain a record confidentially, and if Tenant complies with the same, Tenant shall have the right to defend any such request for confidentiality at Tenant's expense.

M. Relationship of Parties. This Agreement does not create any partnership, joint venture, employment, or agency relationship between the parties. Nothing in this Agreement shall confer upon any other person or entity any right, benefit, or remedy of any nature.

N. Further Assurances. Each party shall execute any document or take any action that may be necessary or desirable to consummate and make effective a performance that is required under this Agreement.

O. Miscellaneous. The headings in this Agreement are provided for convenience only and do not affect this Agreement's construction or interpretation. All references to Sections are to Sections in this Agreement. Each provision to be performed by Tenant shall be construed as both a covenant and a condition. This Agreement shall be construed without regard to any presumption or rule requiring construction or interpretation against the drafting party. If Tenant consists of more than one individual or entity, the obligations of all such individuals and entities shall be joint and several. References in this Agreement to any period of days shall mean calendar days unless specifically stated otherwise.

P. Time is of the Essence. Time is of the essence in this Agreement.

Q. Notices. Any notice, demand, written consent, or other communication required to be in writing under this Agreement shall be given in writing by personal delivery, express mail (postage prepaid), nationally recognized overnight courier with all fees prepaid (such as, by way of example, Federal Express or UPS), or certified mail (return receipt requested and postage prepaid) when addressed to the respective parties as follows.

Hurricane, UT 84737

Either City or Tenant may change its notice address by giving written notice (as provided herein) of such change to the other party. Any notice, demand, or written consent or communication shall be deemed to have been given, and shall be effective, upon compliance with this Section 12.Q. and delivery to the notice address then in effect for the party to which the notice is directed; provided, however, that such delivery shall not be defeated or delayed by any refusal to accept delivery or an inability to effect delivery because of an address change that was not properly communicated.

R. Binding Obligation. Tenant warrants and represents that it has the right, power, and legal capacity to enter into and perform its obligations under this Agreement as a legal, valid, and binding obligation of Tenant.

S. City Approval and Consent. Wherever in this Agreement it specifies the City must give approval or consent by the terms of this Agreement, such approval or consent shall not be unreasonably withheld. Unless otherwise specified, approval, consent, or action by the City refers to approval or consent by the Hurricane City Council.

T. Personal Guaranty. The undersigned Guarantor does herewith personally guarantee the due performance of this Agreement regarding all its provisions and obligations in the same way as if Guarantor were the original Tenant of this Agreement. This guaranty is continuing and unconditional. The undersigned Guarantor shall be liable as a principal debtor and not merely as surety, and the bankruptcy or any assignment in favor of creditors of Tenant shall not affect the enforceability of this Personal Guaranty. This Personal Guaranty shall bind the respective heirs, executors, administrators, and assigns of the undersigned Guarantor, and shall inure to the benefit of the City, its successors, assigns, and subrogees. Guarantor now waives and releases all benefits and relief from all and any appraisement, exemption, or stay laws of any state currently in force or passed in the future.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first written above.
